Elegant dancing frogs

Honey Valley Estate, located in Coorg, Karnataka, is a picturesque retreat nestled in the heart of the Western Ghats. Surrounded by dense forests and lush greenery, this estate offers a tranquil escape from the hustle and bustle of city life.

Ecologically, Honey Valley Estate plays a crucial role as part of the Western Ghats, a UNESCO World Heritage Site known for its rich biodiversity. The estate contributes to the conservation of this important ecosystem, providing a habitat for a variety of plant and animal species, some of which are endemic to the region.

Beyond its ecological importance, Honey Valley Estate is renowned for its breathtaking natural beauty. From mist-covered hills to cascading waterfalls, every corner of the estate offers a sight to behold. Guests can immerse themselves in the serene surroundings, go trekking through the forest trails, or simply relax and rejuvenate amidst nature's embrace.

Discover the serenity of Coorg's lush forests from above at Honey Valley Homestay.
Nestled amidst nature's embrace, experience tranquility like never before
